

Fertöszentmiklos, Hungary – April 8th 2013

Altaterra Kft (formerly also known as RoofLITE, and a sister company to market leader VELUX) has today announced **the release of a fantastic promotion for its Cash Club reward scheme.**

From the 15th of April until 15th of May, all Cash Club members will be granted a Platinum status for a month! That means that every window installed and registered on dakea.net will benefit from a **5 pounds cash bonus !**

To benefit from this outstanding bonus is simple !These are the 3 steps to get your cash!

1. You need to be a professional installer and register on-line at dakea.net
2. You enter ID code of each window you install to your account into the dakea.net registration page. You can reach it by either scanning the QR code on the window plate and entering it immediately, or from your computer later at the www.dakea.net site.
3. You build up cash in your account and once a month we transfer your outstanding balance to a “Skrill” (formerly Moneybookers) account where you can transfer it into your own account. It takes minutes to sign up to Skrill and you only need do it once.

About Altaterra

Altaterra LTD. is registered as a Hungarian company formed in February 2001, but in reality Altaterra is managed from all over Europe by a truly international team. Great products from Altaterra have increased sales rapidly, and Altaterra products are today sold through retailers, builders' merchants and distributors in most European markets.
